**GRANT PUBLIC NOTICE**  
**Intent to Apply for 21<sup>st</sup> Century Community Learning Centers Grant**

Agape Child & Family Services of Memphis, Tennessee is applying for funding under the Tennessee Department of Education 21st Century Community Learning Centers Fund. This announcement serves as public notice of our intent to apply. Our application is aimed at expanding services to serve elementary students at Frayser and Corning Achievement Elementary Schools in Frayser. If awarded funding, Agape Child & Family Services will disseminate information about the 21st CCLC program in a manner that clearly states our goals with information accessible through our website. We invite comments and partnerships as we work to improve the services offered to school-age children in our school-based, after-school tutoring, and summer camp programs.

Agape Child & Family Services is a faith-based, non-profit organization dedicated to providing children and families in Memphis with healthy homes. Agape serves thousands of local children and families each year in an effort to keep them safe, smart, and successful by providing services in under-resourced communities. Services include early childhood programs, school-based initiatives, workforce readiness, homeless services, counseling, adoption, and foster care. In partnership with the Tennessee Department of Human Services, Agape and its community partners have expanded services via a two-generation model, wholly serving youth and parents in a poverty-reduction strategy, providing support, permanency, and sustainability in Frayser, Hickory Hill, and Whitehaven.
