Are you Interested in providing a “Game Changing Course” for “singles” in your church? Becoming ONE has launched a brand new program for single individuals. We don’t call unmarried people “singles” we refer to them as “Individuals” because not all individuals are in a relationship or contemplating being married.

We provide you with a **FREE curriculum** called Within My Reach that teaches the skills needed to build safe, fun and lifelong relationships, including expectations, communication, creating boundaries, etc. In addition, your congregants will learn to take control of your money and plan for your future with budgeting and basic financial literacy – **it all starts right here!**

**FREE
